# OUR AI AGENTS RUN OUR GROWTH.

We do not just teach AI. We operate on it. A stack of agents runs the company's marketing, so growth scales without headcount.

→ Designed for lower CAC

→ Content that scales without hires

→ Later, a product we sell

AGENTIC AI MARKET: \$7.6B → \$52.6B BY 2030

# A REVENUE *ladder*, NOT ONE PRODUCT.

# HERE IS THE PLAN, IN FULL. **BUILD WITH US.**

We teach people to build with AI while AI agents grow our company. A community,  
a product, and a growth engine we can sell.
